Riddle Me This

What goes around the world, yet stays in a corner?

The day before two days after the day before tomorrow is Saturday. What day is today?

How many animals do I have if all but 3 are dogs, all but 3 are cats, all but 3 are birds, and all but 3 are fish?

I have a large money box 10 inches square and 12 inches tall. Roughly how many pennies can I put in my empty money box?

Two bodies have I, both joined in one, the stiller I stand the faster I run. What am I?

What 5 letter word becomes shorter when you add 2 letters to the end of it?

Word Puzzles

To solve the puzzles below, think of a single word that goes with each to form a compound word (or pair that functions as a compound word). For example volley, field, and bearing, then the answer would be ball, because the word ball can be added to each of the other words to form volleyball, ballfield, and ball bearing.

Local Summer Activities

Looking for some things to keep the kids busy this summer?
Here are some summer activities that won't break the bank

The public libraries have story time, puppet shows, crafts, workshops and more that are usually free to enjoy.

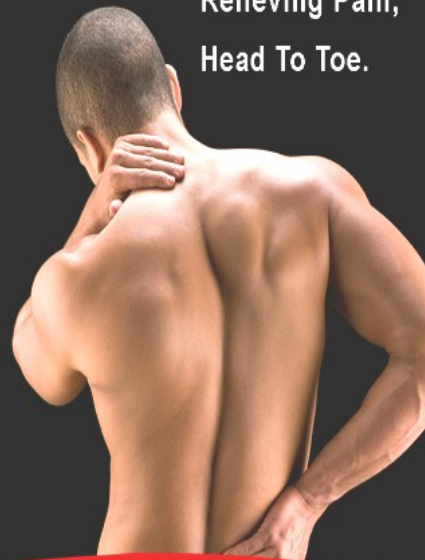

Some of the local movie theaters have free movie days or discounted movie days during the summer.

Shore Lanes is offering free bowling for kids through out the summer months. Check out www.shorelanes.com

Going to one of the local beaches for an afternoon is a great way to spend a family day. Pack some lunch and drinks, and it costs just the gas to get there.

Summer Saturdays at the Brevard Zoo. Every Saturday at 5pm you can come enjoy the Zoo for only \$5 a person.

Tongue Twisters

-How much wood would a woodchuck chuck
 If a woodchuck could chuck wood?
 He would chuck, he would, as much as he could,
 And chuck as much as a woodchuck would
 If a woodchuck could chuck wood.

-There was a fisherman named Fisher,
 who fished for some fish in a fissure.
 Till a fish with a grin,
 pulled the fisherman in.
 Now they're fishing the fissure for Fisher.
